

TOPIC: RURAL GOLDEN GATE ESTATES: PROPOSAL FOR BLASTING REQUIREMENTS FOR SOIL/ROCK EXCAVATION

SUBMITTED TO: RURAL GOLDEN GATE ESTATES RESTUDY ADVISORY COMMITTEE

DATE: 22 JULY 2026

PROPOSAL: Any proposed land activity that proposes utilizing BLASTING with explosives for the purposes of soil/rock excavation that is:

1. Within the boundaries of Rural Golden Gate Estates, or
2. Within 1 mile of the Rural Estates boundaries
3. Will be required to obtain a \$500 million Bond for the potential damage to the structures and homes in the Rural Estates due to the BLASTING.
4. Will be required to setup Seismic Monitors to monitor ground vibrations both BEFORE and AFTER BLASTING activities.
